We got all the spare parts, and deliver wherever you are

Henry Marine A/S was founded in 1992 and ever since, we have supplied spare parts to professional ship owners and ship managers worldwide.

Henry Marine A/S has specialised in supplying spare parts from makers in Europe - we have the knowledge to search out any part you may need.

Our product range covers the needs of Bridge equipment, Engine equipment, Deck equipment; Galley equipment and Laundry equipment.

Henry Marine A/S’s employees have a unique knowledge and experience. It makes us able to guide you professional - whatever you want, wherever you are!
And we control everything before you get it

Quality Control
All delivered parts are thoroughly checked and inspected by our own quality control personnel to ensure that they meet the specifications for the ordered parts. This is to ensure correct delivery the first time!

Warranty
Henry Marine supplies parts with full warranty. If, however, a defect should occur in a delivered spare part the problem will be handled quickly and professionally, either by replacement or repair of the part through our worldwide service network of suppliers.
